

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 2597 - SB 2576

February 18, 2020

SUMMARY OF BILL: Repeals the law regarding denial of a driver license or learner's permit to persons under 18 who are not enrolled in high school.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- It is estimated that those persons under 18 years of age who are denied a driver license, per current law, will apply for and be issued one upon or after turning 18 years of age.
- Repealing these provisions may allow certain individuals to acquire licenses sooner relative to the time it may take under current law. It is assumed such individuals would be pursuing the respective license under current law as well as under the provisions of this legislation. Therefore, any change in the number of licenses issued statewide is not expected to be significant.
- Some license fee revenue and expenditures may shift forward if certain people are able to acquire a license sooner; however, the total amount of license fee revenue and expenditures received over time is not expected to change significantly. As a result, any impact related to license fee revenue and expenditure is estimated to be not significant.
